Trade Union Facility Time Publication Requirements Reporting Period; 1 April 2022 to 31 March 2023 Inclusive

1 Introduction

The Trade Union (Facility Time Publications Requirements) Regulations 2017, which came into force on 1st April 2017, implemented the requirement introduced by the Trade Union Act 2016 for specified public sector employers, including NHS Trusts, to report annually a range of data in relation to their usage and spend on trade union facility time.

2 Background to the Reporting Requirements

The Facility Time Regulations are intended to ensure transparency of facility time and the associated costs to the taxpayer. Organisations should ensure the costs to the taxpayer of facility time are proportionate to the benefits in the delivery of public services.

3 Annual Reporting Requirements

The duty to report covers specific information (set out in detail in Schedule 2 of the regulations) relating to time off taken for trade union duties, for example negotiations with employers, representing members in the workplace, or the duties of a learning representative and activities, or to carry out duties and receive training under the relevant safety legislation.

Trade union representatives can get paid time off to carry out 'duties' which is set out in legislation. Employers may also grant paid time off for trade union activities for which there is no statutory right to paid time off.

4 Trust Data 2022 – 2023

The Trust's data for the reporting period 1 April 2022 to 31 March 2023 is shown on page 2.

Whether in providing support to individual members of Trust staff at a departmental level, or by playing a valuable role in contributing to Trust-wide agendas (for example: Joint Negotiating and Consultative Committees, Job Matching Panels, Collective Agreements, Policy Sub-Group, Junior Doctor's Forum, Health and Safety and Staff Surveys) the Trust recognises that the participation of trade union representatives supports the partnership process and contributes to delivering improved services to patients and users.

Whilst not included in the return, as they are not Trust employees, the Trust also benefits from the helpful input of fulltime trade union officers, as appropriate, and also for one union, caseworkers for occasions where no local staff side representative is available.

The Trust will continue to monitor and evaluate the amount of money spent on facility time, in the interests of transparency and accountability.
