

# RED list of Drugs for HERPC

Some Drugs have more than one traffic light classification. Please check the Joint formulary for

For a comprehensive list of Medicines directly commissioned by NHS England follow the link below  
<https://www.england.nhs.uk/wp-content/uploads/2019/04/nhs-england-drugs-list-v14.1.pdf>

Drug	Indication / Specialty	Commissioned by	Comments
Abacavir	HIV infection	NHS England	
Abacavir & Lamivudine	HIV infection	NHS England	
Abacavir/Lamivudine/Zidovudine	HIV infection	NHS England	
Abatacept	Juvenile arthritis	NHS England	
	Paediatric indications where adult		
Abatacept	TA available	NHS England	
Abatacept	Rheumatoid arthritis in adults	CCG	
Abemaciclib	Cancer Services	NHS England	
Abiraterone	Cancer services	NHS England and CDF	
Acarizax	Immunology	CCG	
Acetylcysteine	Respiratory medicine	NHS England	
Acitretin	Psoriasis	CCG	
Adalimumab	Dermatology in adults	CCG	
Adalimumab	Gastroenterology in adults	CCG	
Adalimumab	Hidradenitis Suppurativa	NHS England - requires IFR	
Adalimumab	Juvenile arthritis	NHS England	
	Paediatric indications where adult		
Adalimumab	TA available	NHS England	
Adalimumab	Rheumatology in adults	CCG	
Adalimumab	Uveitis	NHS England - requires IFR	
Adcortyl in Orabase	ENT - unlicensed	CCG	
Adefovir Dipivoxil	Hepatitis B	NHS England - requires IFR	
Afatinib	Cancer services	NHS England	
Aflibercept	Cancer services	CDF	
Aflibercept	Ophthalmology	CCG	
Alcohol 18% Eye Application	Ophthalmology	CCG	
Aldesleukin	Cancer services	NHS England	
Alemtuzumab	Cancer services	NHS England	
Alemtuzumab	Multiple sclerosis	NHS England	
Alemtuzumab	Pre-transplant immunosuppression	NHS England	
Alteplase(Actilyse Cathflo) Inj	Antithrombotic	NHS England	
Alirocumab	Hypercholesterolaemia		
Alglucosidase Alfa	Metabolic disorders	NHS England	
Alitretinoin	Severe chronic hand eczema	CCG	
Ambrisentan	Pulmonary Arterial Hypertension	NHS England	
	Lambert-Eaton myasthenic		
Amifampridine	syndrome	NHS England - requires IFR	
	Facilitate resectoin of malignant		
5-Aminolevulinic Acid	gliomas	CCG	
Amphotericin eye drops	Ophthalmology	CCG	
Amphotericin liposomal	Intravenous antifungal	NHS England	
Amsacrine	Cancer services	NHS England	
Anagrelide Hydrochloride	Platelet disorders	CCG	
Anakinra	Paediatric indications	NHS England - requires IFR	
Anakinra	Rheumatology adult	CCG - requires IFR	
Anidulafungin	Antifungal drugs	NHS England	
Antilymphocyte globulin	Aplastic anaemia / organ transplant	NHS England	
Apraclonidine eye drops	Peri-operative use	CCG	
Apremilast	Dermatology in adults	CCG	

Apremilast	Rheumatology in adults	CCG
Aprepitant	Chemotherapy associated nausea and vomiting	NHS England
Aprotonin	CABG surgery	CCG
Argatroban Injection		
Arsenic	Proctitis (acetarsol unlicensed list)	CCG
Artesunate	Treatment of malaria	CCG
Artemether with lumefantrine	Treatment of malaria	CCG
Asenapine	Treatment of mania	CCG
Atavaquone	pneumocystis carinii	CCG
Atazanavir	HIV infection	NHS England
Atazanavir/Cobicistat	HIV infection	NHS England
Atezolizumab	Cancer Services	NHS England
Avapritinib	Haematology	
Avelumab	Cancer Services	NHS England
Axitinib	Cancer services	CDF
Azacitidine	Cancer services	NHS England
Aztreonam infusion	Cystic fibrosis	NHS England
Aztreonam Lysine	Cystic fibrosis	NHS England
Bacillus Calmette-Guerin (B.C.G.)	Respiratory Medicine	CCG
Baricitinib	Rheumatoid arthritis in adults	CCG
Belimumab	SLE	NHS England - requires IFR
Bendamustine	Cancer services	NHS England and CDF
Benzbromarone	Rheumatology	CCG
Benralizumab	Eosinophilic Asthma	NHS England
Benzylpenicillin eye drops	Eye infection - unlicensed	CCG
Betaine Anhydrous	Homocystinuria	NHS England
Bevacizumab	Cancer services	CDF
Bevacizumab	Neurofibromatosis	NHS England
Bevacizumab	Ophthalmology	CCG
Bexarotene	Cancer services	NHS England
Bictegravir/Emtricitabine/Tenofovir	HIV infection	NHS England
Bleomycin	Cancer services	NHS England
Blu Patent V PFS	Surgery	CCG
Boceprevir	Hepatitis C	NHS England
Bortezomib	Cancer services	NHS England and CDF
Bosentan	Digital ulcers	NHS England - requires IFR
Bosentan	Pulmonary Arterial Hypertension	NHS England
Bosutinib	Cancer services	CDF
Botulinum Toxin Type A	Chronic migraine	CCG
Botulinum Toxin Type A	Focal spasticity in adults	CCG
Botulinum Toxin Type A	Focal spasticity in children	NHS England
Botulinum Toxin Type A	Hyperhidrosis	CCG
Botulinum Toxin Type A	Intravesical use in spinal cord injury	NHS England - requires IFR for new patients
Botulinum Toxin Type A	Urology indications	CCG
Botulinum Toxin Type A	Sialhorrea	
Brentuximab	Cancer services	NHS England
Brigataniab	Cancer Services	NHS England
Brimetanib	Cancer Services	NHS England
Brodalumab	Dermatology	CCG
Brolucizumab	Ophthalmology	CCG
Busulfan	Cancer services	NHS England
	Hereditary angioedema - acute treatment	NHS England
C1-Esterase Inhibitor		
Cabazitaxel	Cancer services	CDF
Cabozantinib	Cancer services	CDF
Calcitonin (salmon)	Endocrinology indications	CCG
Calcitonin (salmon)	Hypercalcaemia of malignancy	NHS England
	Supportive treatments for chemotherapy	
Calcium folinate		CCG

Calcium folinate	Supportive treatments for chemotherapy	NHS England	
Cannabidiol Oral Suspension	Epilepsy that has proven intractable to conventional treatment	NHS England	
Cantharone and Cantherone Plus	Removal of Warts		
Capecitabine	Cancer services	NHS England	
Caphosol	Cancer services	NHS England	
Capreomycin	Infectious diseases/TB	NHS England	
Carboplatin	Cancer services	NHS England	
Carfilzomib	Cancer services	NHS England	
Carmustine	Cancer services	NHS England	
Carnitine	Metabolic disorders	NHS England	
Caspofungin	Intravenous antifungal	NHS England	
Cefotaxime infusion	Cystic fibrosis	NHS England - requires IFR	
Ceftazidime infusion	Bronchiectasis	CCG - requires IFR	
Ceftazidime-Avibactam Infusion (Zavicefta)	Antibiotic	NHS England	
Ceftazidime infusion	Cystic fibrosis	NHS England - requires IFR	
Cemiplimab	Cancer Services	NHS England	TA592
Ceftolazone/Tazobactam			
Certolizumab Pegol	Paediatric indication	NHS England - requires IFR	
Certolizumab Pegol	Psoriatic arthritis	CCG	
Certolizumab Pegol	Rheumatoid arthritis in adults	CCG	
Certolizumab Pegol	Plaque Psoriasis	CCG	
Cetuximab	Cancer services	NHS England and CDF	
	Cancer services - not specifically listed	NHS England and CDF	
Chemotherapy			
Chlorambucil	Cancer services	NHS England	
Chlorhexidine eye drops	Eye infection - unlicensed	CCG	
Chloroquine		CCG	
Chlortetracycline eye ointment	Eye infection - unlicensed	CCG	
Chorionic Gonadotrophin	Fertility services	CCG	
Cidofovir	Cytomegalovirus	NHS England	
Cisplatin	Cancer services	NHS England	
Cladribine	Relapsing -remitting MS	NHS England	
Cladribine	Cancer services	NHS England	
Clofarabine	Cancer services	CDF	
Clomethiazole	Alcohol dependence	CCG / Public health ?	
Clomifene Citrate	Fertility services	CCG	
Clotrimazole eye drops	Eye infection - unlicensed	CCG	
Clozapine	Mental health	CCG	
Co-careldopa intestinal gel	Parkinson's disease	NHS England	
Colestilan	Renal dialysis patients	NHS England	
Colistimethate sodium	Bronchiectasis	CCG	
Colistimethate sodium	Cystic fibrosis	NHS England	
Collagenase Clostridium Histolyticum	Dupuytren's Contracture	CCG	
Corticotropin Releasing Hormone	Endocrinology	CCG	
Crizotinib	Cancer services	CDF	
Cyclophosphamide	Cancer services	NHS England	
Cyclophosphamide	Immunosuppression	CCG	
Cycloserine	Infectious diseases/TB	NHS England	
Cytarabine	Cancer services	NHS England	
Dabrafenib	Cancer services	CDF	
Dabrafenib / Trimetinib	Cancer services	NHS England	
Dacarbazine	Cancer services	NHS England	
Daclatasvir	Hepatitis C	NHS England	
Daclizumab/Zinbryta 150mg Inj	Relapsing -remitting MS	NHS England	
Dactinomycin	Cancer services	NHS England	
Dalbavancin	Infectious Diseases	CCG	
Dapsone	As per licence	CCG	
Daranuvir/Cobicistat	HIV infection	NHS England	
Darbepoetin	Cancer services	NHS England	

Darbepoetin	Chronic renal failure not dialysis	NHS England	
Darbepoetin	Dialysis-induced anaemia	NHS England	
Darolutamide	Cancer Services	NHS England	
Darunavir	HIV infection	NHS England	
Dasatinib	Cancer services	CDF	
Daunorubicin	Cancer services	NHS England	
Deferasirox	Iron overload	NHS England	
Deferiprone	Iron overload	NHS England	
Denosumab (XGEVA)	Cancer services	NHS England	
<b>Denosumab (Prolia)</b>	<b>Osteoporosis</b>	<b>CCG</b>	<b>Amber</b>
Desferrioxamine Mesilate	Iron overload	NHS England	
Desmopressin injection	Diagnostic / haemophilia	CCG	
Descovy(Emtricitabine/Tenofovir)			
Alafenamide	HIV infection		
Dexametomidine	Sedation in Critical care setting		
Dexamethasone intravitreal	Macular oedema	CCG	
	Lambert-Eaton myasthenic syndrome		
3,4 Diaminopyridine		NHS England	
Diamorphine Nasal Spray	Acute pain in Paeds(Emergency)		
Diazoxide	Chronic hypoglycaemia - unlicensed	CCG	
Diclofenac eye drops	Peri-operative use	CCG	
Didanosine	HIV infection	NHS England	
Diloxanide	Amoebiasis	CCG	
Dimethyl fumarate	Multiple sclerosis	NHS England	
Dimethyl fumarate	Psoriasis	CCG	
Dinoprostone	Paediatrics	CCG	
Diphtherine Eye Irrigation Solution	Ophthalmology	CCG	
	Supportive treatments for chemotherapy		
Disodium folinate	Supportive treatments for chemotherapy	CCG	
	Supportive treatments for chemotherapy		
Disodium folinate	Supportive treatments for chemotherapy	NHS England	
Disofrol	Chronic cough - unlicensed	CCG	
Docetaxel	Cancer services	NHS England	
Dolutegravir	HIV infection	NHS England	
Dolutegravir / Abacavir/Lamivudine	HIV infection	NHS England	
Dolutegravir with Lamivudine (Dovato)	HIV Infection	NHS England	
Dornase alfa	Cystic fibrosis	NHS	
Doxorubicin Hydrochloride	Cancer services	NHS England	
Doxorubicin Hydrochloride	Cancer services	NHS England	
Doxorubicin pegylated liposomal	Cancer services	NHS England and CDF	
Dronedarone	Arrhythmia	CCG	
Droperidol	Surgery	CCG	
Dupilumab	Severe Atopic dermatitis	NHS England	
Durvalumab	Cancer Services	NHS England	
	Atypical haemolytic uraemic syndrome		
Eculizumab	Paroxysmal nocturnal haemoglobinuria	NHS England	
Eculizumab	haemoglobinuria	NHS England	
Efavirenz	HIV infection	NHS England	
Eltrombopag	platelet disorders	CCG	
Elvitegravir/Cobicistat	HIV Infection	NHS England	
Elvitegravir with Cobicistat, Emtricitabine and Tenofovir (Stribild)	HIV infection	NHS England	
Emicizumab	Severe Haemophilia	NHS England	
Emtricitabine/Tenofovir/Alafenamide	HIV infection	NHS England	
Emtricitabine	HIV infection	NHS England - requires IFR	
Emtricitabine & Tenofovir Disoproxil (Truvada)	HIV infection	NHS England	
Emtricitabine with efavirenz and tenofovir (Atripla)	HIV infection	NHS England	
Emtricitabine with rilpivirin and tenofovir (Eviplera)	HIV infection	NHS England	

Encorafenib	Cancer services	NHS England
Enfuvirtide	HIV infection	NHS England
Entecavir	Hepatitis B	NHS England
Entrectinib	Cancer Services	NHS England
Enzalutamide	Cancer services	NHS England
Epclusa (Sofosbuvir/Velpatavir)	Chronic Hepatitis C	NHS England
Epirubicin Hydrochloride	Cancer services	NHS England
Epoetin	Chronic renal failure not dialysis	CCG
Epoetin	Dialysis-induced anaemia	NHS England
EpoprostenolSodium	Pulmonary Arterial Hypertension	NHS England
Eptotermin	Bone morphogenetic protein - Complex spinal surgery	NHS England - requires IFR
Eptotermin	Bone morphogenetic protein - unhealing fracture	CCG - requires IFR
Eribulin	Cancer services	CDF
Erlotinib	Cancer services	CDF
Estramustine Phosphate	Cancer services	NHS England
Etalcalcetide Injection	Secondary hyperparathyroidism	NHS England
Etanercept	Dermatology in adults	CCG
Etanercept	Juvenile arthritis	NHS England
Etanercept	Paediatric indications where adult TA available	NHS England
Etanercept	rheumatology in adults	CCG
Ethambutol Hydrochloride	TB	CCG
Ethionamide	TB	CCG - requires IFR
Etoposide	Cancer services	NHS England
Etravirine	HIV infection	NHS England
Everolimus	Cancer	CDF
Everolimus	Transplant immunosuppression	NHS England - requires IFR
Everolimus	Renal angiomyolipoma	NHS England - requires IFR
Everolimus	Tubular sclerosis	NHS England - requires IFR
Evolocumab	Hypercholesterolaemia	CCG
Ferracru(Ferric Maltol)		
Filgotinib	Rheumatology	CCG
Filgrastim	neutropenia	NHS England
Fingolimod	Multiple sclerosis	NHS England
Flamigel	Radiotherapy	CCG
Flamigel Hydro	Radiotherapy	CCG
Fludarabine Phosphate	Cancer services	NHS England
Flunarizine	migraine	CCG
Fluocinolone intravitreal	Ophthalmology	CCG
Fluouracil	Cancer services	NHS England
Fluorescein IV for oral use	Ophthalmology	CCG
Fluticasone Furoate/Vilanterol(Relvar)		
Follitropin Alfa	Fertility services	CCG
Fomepizole	Ethylene glycol and methanol poisoning	CCG
Fosamprenavir	HIV infection	NHS England
Foscarnet cream	Herpes simplex resistant to aciclovir	CCG
Foscarnet infusion	Cytomegalovirus	NHS England
Fosfomycin (IV only)	ESBL	CCG
Fremanezumab	Migraine	NHS England
Pure Fructose(Hydrogen Breath Test)	Fructose Intolerent Test	NHS England
Galcanezumab	Neurology	CCG
Ganciclovir	Cytomegalovirus	NHS England
Ganciclovir eye drops	Ophthalmology	CCG
Gefitinib	Cancer services	NHS England
Gemcitabine	Cancer services	NHS England
Gemtuzumab ozogamicin	Cancer Services	NHS England
Gilteritinib	Cancer Services	NHS England
Glatiramer Acetate	Multiple sclerosis	NHS England

Glucarpidase	Methotrexate overdose due to medication error in secondary care	NHS England / CCG
Glucarpidase	Methotrexate overdose originating in primary care	CCG -requires IFR
Glucarpidase	Methotrexate toxicity in secondary care	NHS England
Glycopyrronium injection	Palliative care	CCG
Golimumab	Gastroenterology in adults	CCG
Golimumab	Rheumatology	CCG
Gonadorelin	hypothalamic hormones investigative use	CCG
Granisetron	Chemotherapy associated nausea and vomiting	NHS England
Granulocyte-macrophage colony-stimulating factor	neutropenia	NHS England - requires IFR
Guselkumab	severe plaque psoriasis	NHS England
Homatropine	Ophthalmology	CCG
Humulin R insulin	Diabetes mellitus - unlicensed	CCG
Hyaluronidase	Peri-operative use	CCG
Hydroxycarbamide	Cancer services	NHS England
Hydroxycarbamide	Polycythaemia	CCG
Hydroxycarbamide	Sickle cell disease	NHS England
Hydroxypropyl cellulose ophthalmic strips	Ophthalmology	CCG - requires IFR
Ibandronic acid IV only	Endocrinology	CCG
Ibandronic Acid	Hypercalcaemia of malignancy	CCG
Ibrutinib	Cancer services	NHS England
Icatibant	Hereditary angioedema - acute treatment	NHS England
Idarubicin Hydrochloride	Cancer	NHS England
Idarucizumab	Haematology	CCG
Idebenone	for slowing the decline of respiratory function, in patients with Duchenne Muscular Dystrophy	NHS England
Ifosfamide	Cancer services	NHS England
Iloprost	Pulmonary Arterial Hypertension	NHS England
Iloprost	Rheumatology indication	CCG
Iloprost	Vascular indications	CCG
Imatinib Mesilate	Cancer Services	NHS England and CDF
Imatinib Mesilate	Graft versus host disease	NHS England - requires IFR
Indinavir	HIV infection	NHS England
Infliximab	Crohn's disease in children	NHS England
Infliximab	Dermatology in adults	CCG
Infliximab	Gastroenterology in adults	CCG
Infliximab	Hidradenitis Suppurativa	NHS England - requires IFR
Infliximab	Interstitial lung disease	NHS England - requires IFR
Infliximab	Paediatric indications in children	NHS England
Infliximab	Renal	NHS England - requires IFR
Infliximab	Rheumatology in adults	CCG
Infliximab	Sarcoidosis	NHS England - requires IFR
Infliximab	Uveitis	NHS England - requires IFR
Interferon Alpha	Hepatitis B and C	NHS England
Interferon Beta	Multitple sclerosis	NHS England
Intravenous drugs not specifically listed in this table are considered Red, within Tariff unless recommended for non-specialist use		
Iodine Oral Solution (Lugol's)	Thyroid surgery	CCG
Ipilimumab	cancer services	NHS England
Irbutinib	Cancer services	NHS England
Irinotecan Hydrochloride	cancer services	NHS England
Iron dextran	Iron deficiency anaemia	CCG
Iron isomaltoside	Iron deficiency anaemia	CCG
Iron isomaltoside	Iron deficiency anaemia	CCG

Iron sucrose complex	Iron deficiency anaemia	CCG	
Isavuconazole	Invasive Aspergillosis/Mucromycosis	NHS England	
Isoniazid	TB	CCG	
Isotretinoin	Acne	CCG	
Ivacaftor	CF with G551D gene mutation	NHS England	
Ivermectin	Parasitocidal prep	CCG	
Ixekizumab (Talz) Pre filled syringe			
Ketamine Hydrochloride	Chronic pain	CCG - IFR only	
Ketamine Hydrochloride	Palliative care	CCG	
	Prevention of Necrotizing Enterocolitis	NHS England	
labinic Liquid	Hepatitis B	NHS England	
Lamivudine	HIV infection	NHS England	
Lamivudine	HIV infection	NHS England	
Lamivudine & Zidovudine	HIV infection	NHS England	
Lanadelumab	Hereditary angioedema	NHS England	TA606
Lapatinib	Cancer services	CDF	
LAT Gel	Emergency Dept		
L-carnitine	Carnitine deficiency	NHS England	
Lenalidomide	Cancer services	NHS England and CDF	
Lenograstim	neutropenia	NHS England	
Levamisole	Antihelmintic	CCG	
Levofloxacin	Antibiotic	NHS England	
Linezolid	Antibiotic	CCG	
Liposomal Cytarabine-Daunorubicin	Cancer Services	NHS England	TA552
Lomustine	Cancer services	NHS England	
Lopinavir & Ritonavir	HIV infection	NHS England	
Lorlatinib	Cancer Services	NHS England	TA628
Lumicaftor-Ivacaftor	Cystic fibrosis	NHS England	
			Humber Consultant Initiation only. Named patient basis only
Lurasidone	Mental Health		
Macitentan	Pulmonary Arterial Hypertension	NHS England	
Mannitol	Cystic fibrosis	NHS England	
Maraviroc	HIV infection	NHS England	
Melphalan	cancer services	NHS England	
	Severe refractory eoinophilic Asthma		
Mepolizumab/Nucala Injection			
Mepacrine	Rheumatology - unlicensed	CCG	
Meropenem infusion	Bronchiectasis	CCG - requires IFR	
Meropenem infusion	Cystic fibrosis	NHS England - requires iFR	
	Supportive treatments for chemotherapy		
Mesna		CCG	
	Supportive treatments for chemotherapy		
Mesna	chemotherapy	NHS England	
Methotrexate	Cancer services	NHS England	
<b>Methotrexate</b>	<b>Immunotherapy</b>	<b>CCG</b>	<b>Oral Amber</b>
Methoxypsoralen	PUVA	CCG	
Methyl-5-aminolevulinate	actinic keratosis	CCG	
Methyl-5-aminolevulinate	Basal cell carcinoma	CCG	
Methysergide	Migraine - unlicensed	CCG	
Metolazone	Loop diuretic - unlicensed	CCG	
Mexiletine	arrhythmia	CCG	
Midazolam Unlicensed Liquid	Paediatrics	CCG	
Mitomycin	cancer services	NHS England	
Mitotane	cancer services	NHS England	
Mitoxantrone	cancer services	NHS England	
Modafanil	Unlicensed indications	CCG	
Moxifloxacin			
Nabilone	Chronic pain	CCG	
Nalmefene	Alcohol dependence	Public health	
Naltrexone	Alcohol dependence	Public Health	
Natalizumab	Multiple sclerosis	NHS England	
Natamycin Eye Drops	Ophthalmology	CCG	

Nelarabine	Cancer services	CDF
Nelfinavir	HIV infection	NHS England
Nevirapine	HIV infection	NHS England
Nicardipine Hydrochloride Inj		
Nilotinib	Cancer services	NHS England and CDF
Nimodipine	Subarachnoid haemorrhage	CCG
Nintedanib	idiopathic pulmonary fibrosis	NHS England
	Recurrent platinum-sensitive epithelial ovarian, fallopian tube, or primary peritoneal cancer	
Niraparib (Zejula) 100mg Capsules		NHS England
Nitric oxide	Pulmonary Arterial Hypertension	NHS England
Nivolumab	Cancer Services	NHS England
Obeticholic Acid (Ocaliva) Capsules	Primary biliary cholangitis	
Normal Immunoglobulin (Gamma Globulin)	Immunological products	NHS England
Obinutuzumab	Chronic Lymphocytic Leukaemia	
Odefsey(Rilpivirine/Emtricitabine/Tenofovir)	HIV infection	
Ocrelizumab	MS	NHS England
Ocriplasmin	Vitreomacular traction	CCG
Ofatumumab	Cancer services	CDF
Ofloxacin	(oral & IV)	CCG
	Ovarian, Fallopian Tube and Peritoneal Cancer	
Olaparib		NHS England
Olaratumab (Lartruvo) infusion	Soft tissue carcinoma	NHS England
Omalizumab	Asthma	NHS England
Omalizumab	Chronic spontaneous urticaria	NHS England - requires IFR
Oxaliplatin	Cancer services	NHS England
Paclitaxel	Cancer services	NHS England
Paclitaxel albumin bound	Cancer services	CDF
Palivizumab	RSV prophylaxis	NHS England
Palbociclib Capsules	hormone receptor	NHS England
Pamidronate	Cancer services	NHS England
Pamidronate	Paget's Disease	CCG
Panitumumab	Cancer services	CDF
Panobinostat	Cancer services	NHS England
Papaverine	Erectile dysfunction - unlicensed	CCG
	Intestinal failure; inadequate/unsafe enteral feeding	
Parenteral nutrition		NHS England
Paricalcitol	Secondary hyperparathyroidism	NHS England
Pasireotide	Cushing's Disease	NHS England - requires IFR
Pazopanib	Cancer services	NHS England
Pazopanib	Cancer services	NHS England and CDF
Pegaptanib Sodium	Ophthalmology	CCG - requires IFR
Pegfilgrastim	neutropenia	NHS England - requires IFR
Peginterferon Alpha	Hepatitis B and C	NHS England
Peginterferon beta-1a	Multiple sclerosis	NHS England - requires IFR
	Third-line treatment for adults with acromegaly, following a pituitary	
Pegvisomant	MDT meeting	NHS England
Pemetrexed	Cancer services	NHS England and CDF
Pemrolizumab Infusion		
Pentosan Polysulphate Sodium	Interstitial cystitis	CCG
Pentostatin	Cancer services	NHS England
	Immunology indications (unlicensed)	
Pentoxifylline		CCG
	Gastroenterology indications (unlicensed)	
Pentoxifylline		CCG
Peptide receptor radionucleotide therapy	Cancer services	CDF
Pertuzumab	Cancer services	CDF
Pharmalgen	Immunology indications	NHS England

Phenoxybenzamine	Phaeochromocytoma - unlicensed	CCG	
Phentolamine	Erectile dysfunction - unlicensed	CCG	
Phenylbutazone	Ankylosing spondylitis - unlicensed	CCG	
Piperacillin / Tazobactam infusion	Bronchiectasis	CCG - requires IFR	
Piperacillin / Tazobactam infusion	Cystic fibrosis	NHS England - requires IFR	
Pirfenidone	idiopathic pulmonary fibrosis	NHS England	
Plenvu	Bowel Screening	CCG	
Polihexanide eye drops	Ophthalmology	CCG	
Pollinex Quatro	Immunology	NHS England	
Pomalidomide	Cancer services	CDF	
Ponatinib	Cancer services	CDF	
Poractant alfa	Respiratory distress syndrome	NHS England	
Posaconazole	Antifungal drugs	NHS England	
Potassium ascorbate eye drops	Peri-operative use	CCG	
Povidone iodine eye drops	Peri-operative use	CCG	
Praziquantel	Antihelmintic	CCG	
Primaquine	Treatment of malaria	CCG	
Pristinamycin	ID	CCG	
Probenecid	Hyperuricaemia - unlicensed	CCG	
Procarbazine Hydrochloride	Cancer services	NHS England	
Proguanil with atavaquone	Treatment of malaria	CCG	
Propamidine eye drops	Ophthalmology	CCG	
Protirelin	hypothalamic hormones	CCG	
Pyrazinamide	TB	CCG	
Pyridoxine SF liquid	TB	CCG	
Pyrimethamine	Malaria / toxoplasmosis	CCG	
Pyrimethamine	TB	CCG	
Quinine	Treatment of malaria	CCG	
Radium-223 Dichloride	Cancer services	CDF	
Raltegravir	HIV infection	NHS England	
Raltitrexed	Cancer services	NHS England	
Ranibizumab	Ophthalmology	CCG	
Rasburicase	Hyperuricaemia	NHS England	
Regorafenib	Gastrointestinal stromal tumours	NHS England	
Reslizumab Injection	Respiratory		
Ribavirin	Hepatitis C	NHS England	
Rifabutin	TB	CCG	
Rifampicin	TB	CCG	
Rifampicin Combined Preparations	TB	CCG	
Rifaximin	Immunology	CCG	
Rifaximin	Hepatic Encephalopathy	CCG	Guideline led Blue
Rilpivirine	HIV infection	NHS England	
Riociguat	Pulmonary Hypertension	NHS England	
Risankizumab	Dermatology in adults	CCG	
Ritonavir	HIV infection	NHS England	
Rituximab	ABO-incompatible kidney transplants	NHS England	
Rituximab	ANCA - positive vasculitis	NHS England	
Rituximab	Cancer services	NHS England	
Rituximab	Graft versus host disease	NHS England	
Rituximab	Haemophilia	NHS England - requires IFR	
Rituximab	Idiopathic Membranous Glomerulonephritis		
Rituximab	Interstitial lung disease	NHS England - requires IFR	
Rituximab	Myositis	NHS England - requires IFR	
Rituximab	Nephritis	NHS England - requires IFR	
Rituximab	Neuromyelitis optica	NHS England	
Rituximab	Paediatric indications where adult TA available	NHS England	
Rituximab	Rheumatoid arthritis in adults	CCG	
Rituximab	SLE	NHS England	

Romiplostim	platelet disorders	CCG	
Ruxolitinib	Cancer services	CDF	
Safinamide	Parkinsons Disease	CCG	
Sarilumab	Rheumatoid arthritis in adults	CCG	
Saquinavir Mesylate	HIV infection	NHS England	
Sativex	Spasticity associated with multiple sclerosis	Requires IFR	
Secukinumab	Dermatology in adults	CCG	
Selexipag	PAH	NHSE	
Sermorelin Acetate	hypthalamic hormones specialist investigation	CCG	
Sertindole	antipsychotic - unlicensed	CCG	
Sildenafil	Pulmonary Arterial Hypertension	NHS England	
Simeprevir	Hepatitis C	NHS England	
Siponimod	Neurology	NHS England	
Sodium chloride 7% nebulised solution	Cystic fibrosis	CCG	
Sodium chloride oral solution	Hyponatraemia -unlicensed	CCG	
Sodium clodronate	Cancer services	NHS England	
Sodium oxybate	Narcolepsy	NHS England - Paediatric only	
Sodium phosphate oral solution	Hypophosphataemia - unlicensed	CCG	
Sodium Zirconium	Hyperkaleamia	CCG	
Sofosbuvir	hepatitis C	NHS England	
Sofosbuvir with Daclatasvir/Ledipasvir	hepatitis C	NHS England	
Hepatitis C	hepatitis C	NHS England	
Sofosbuvir/Valpatasvir/ Voxilaprevir (Vosevi)	Hepatitis C	NHS England	
Somatropin	growth hormone	CCG	
Sorafenib	Cancer services	CDF	
Stavudine	HIV infection	NHS England	
Stiripentol	Paediatric neurology	CCG	
Streptomycin	TB	CCG	
Sunitinib	Cancer services	NHS England and CDF	
Tadalafil	Pulmonary Arterial Hypertension	NHS England	
Tafamadis	Cardiac Transthyretin Amyloidosis	NHS England	
Taurolock	short bowel / high output stoma	NHS England	
Tegafur with uracil	Cancer services	NHS England	
Tegafur/Gimeracil/Oteracil	Cancer services	NHS England	
Teicoplanin infusion	Cystic fibrosis	NHS England - requires IFR	
Telaprevir	hepatitis C	NHS England	
Temozolamide	Cancer services	NHS England	
Temozolomide	Endocrinology	NHS England - requires IFR	
Temsirolimus	Cancer services	CDF	
Tenofovir Disoproxil	Hepatis B	NHS England	
Tenofovir Disoproxil	HIV infection	NHS England	
Teriflunomide	Multiple sclerosis	NHS England	
Teriparatide	osteoporosis	CCG	
Tetracosactide	anterior pituaryary hormone	CCG	
Tezacaftor/Ivacaftor	Cystic fibrosis	NHS England	
Tezacaftor/Ivacaftor/Elexacaftor	Cystic fibrosis		
Thalidomide	Cancer services	NHS England	
Thalidomide	Chronic cough - unlicensed	CCG - requires IFR	
Thalidomide	Nodular Prurigo	CCG - requires IFR	
Theobromine	Chronic cough - unlicensed	CCG	
Thyrotrophin	hypothalamic and pituaryary hormones	CCG	
Tiabendazole	Antihelmintic	CCG	
Tildrakizumab	Plaque Psoriasis	CCG	
Tinzaparin	Dialysis - prevention of clotting	NHS England	Other indications Blue
Tioguanine	Cancer services	NHS England	
Tipranavir	HIV infection	NHS England	
Tisseel	As per licence	CCG
