Glasgow Hearing Aid Benefit Profile (GHABP)

June 2020

Great Staff – Great Care – Great Future

INTRODUCTION

This leaflet has been created for the purpose of completing the Glasgow Hearing Aid Benefit Profile (GHABP) questionnaire prior to your appointment date. This will help provide you with the time to consider the questions and reduce time needed for the face to face part of your appointment that will follow.

WHAT IS THE GHABP?

The Glasgow Hearing Aid Benefit Profile (GHABP) is a questionnaire developed to help evaluate individual patients perceived hearing difficulties.

WHAT WILL I HAVE TO DO?

You are being asked to complete the questionnaire and bring it to your appointment.

This questionnaire will ask about four specific listening situations and will be asking:

- whether this situation occurs in your life
- how much difficulty do you have in this situation
- how much does this difficulty, worry, annoy or upset you

On arrival at you audiology appointment please hand the completed questionnaire to the audiologist carrying out your appointment.

HOW LONG WILL IT TAKE TO COMPLETE?

The questionnaire could take around 5 minutes.

FOR WHAT THIS QUESTIONNAIRE WILL BE USE FOR?

This questionnaire will be used to help create an individual management plan for you and your specific needs.

Should you need help on the issues contained in this leaflet, please do not hesitate to contact the Audiology Department: **Phone: (01482) 468355 Text: 07799 895033 Email: audiology@hey.nhs.uk**

This leaflet was produced by the Audiology Department, Hull University Teaching Hospital NHS Trust and will be reviewed in **June 2021**.
