

# LOCUS

Loved-ones with Cancer, Unified Support Group

LOCUS is a group designed to offer support to those who are supporting someone with cancer.

This includes:

- Peer-to-peer support
- Input from Psycho-oncology professionals
- Guidance with supporting loved-ones
- A relaxed and welcoming community

**When?**

Every other Wednesday 5:30pm-7pm

**Where?**

Suite 22, Castle Hill Hospital

**Who?**

Any friend, relative or loved-one of someone receiving cancer treatment.

If you are interested in joining then head to the website below, email us or speak to a healthcare professional who can also refer you.
